Hi Brian,

Unfortunately I only have Robert and myself working the UHRC for the next 4 weeks. I will be gone next week at Command Development School and the following week at Instructor Development School leaving just Robert on the PD side for the next 2 weeks. Marco is on Bonding Leave and Ryan is on Vacation in Europe for his Honeymoon and scheduled vacation afterwards.

Commander, are you okay with me requesting the Central Bureau HOPE Team utilize the Encampment App to fulfill Brian's Request when their team is available?

Brian, we will not be able to create the "Heat Map" but perhaps Simiran could help with that.

Take Care,

Emada

Subject: Mapping CD14 Focus Area

Is there anyone at the UHRC currently who can map the CD14's Focus Area around the 1426 Paloma Street site?

Thanks.

Brian
